

1009 MOUNTAIN TRACE

\$1,050,000

Bedrooms: 5 Full Baths: 5 Half Baths: 1

Square Feet: 5,667

MLS#: 21449013

PROPERTY DESCRIPTION

This stunning home is perfectly nestled on a private cul de sac lot in the gated Highland Lakes Community. It features 5 bedrooms & 5.5 baths & multiple gathering areas. The 2 story foyer opens to a formal dining room. The chef's kitchen offers Viking appliances, built-in Sub-Zero refrigerator, stone countertops, walk-in pantry & a cozy keeping room off the kitchen. The great room w/ soaring ceilings overlooks a resort like private backyard which features a heated, in-ground salt water pool, wood burning fireplace w/ seating, outdoor kitchen w/ grill, & a covered patio. The large primary bedroom features tray ceilings & a spa like bath w/ dual sinks, separate tub & shower. Upstairs has 4 bedrooms, 3 full baths & a bonus room. The finished basement has a den, office (currently set up as a bedroom & a large media room that seats 8. The split driveway has a 2 car garage on the main level & 2 car garage in the basement & allows for plenty of parking. Zoned for Oak Mountain Schools.
