

## 1013 ROYAL MILE

**\$1,099,000**

Bedrooms: 6    Full Baths: 4    Half Baths: 1    Levels: 2+ Story    Square Feet: 6,177    MLS#: 21375786

### PROPERTY DESCRIPTION

Stunning estate home on the prestigious, Royal Mile, in Greystone Legacy! Step into the 2 story foyer with grand sized open dining room & great room. The gourmet kitchen features new appliances, custom cabinetry, a large island, is open to the keeping room with vaulted ceilings, & adjoins the large covered deck with tons of space for entertaining. The main level master suite is tucked away with a spa like atmosphere in the master bath. Upstairs has 4 bedrooms, plus large bonus room, craft room & 2 jack n' jill baths with separate sinks for each bedroom. The fully finished basement is ideal for family fun & entertainment, featuring full kitchen with custom built rolling island, large den, office area with guest suite & full bath. This home has 2 main level garages & 2 in the basement plus extra space for a workshop and storage. The huge fenced backyard is private & lined with large magnolia trees providing tons of space for a pool too.
