PROPERTY DESCRIPTION

Completely renovated! A rare find in the south end of Pelham. Located in a great subdivision, the home was originally built in 2005. The owner has gutted the home to the studs and has completely renovated both the interior and exterior. Modern upgrades include granite countertops with tile backsplash in the kitchen and BOTH bathrooms, tile floors in the bathrooms along with tile in the master shower and the hall bath. No fiberglass tub surrounds! Laminate flooring through the rest of the house. Solid wood cabinets in the kitchen with soft close doors and drawers. Quiet and cozy covered back patio with grilling area. Two-car front load garage. Small yard means less yard work! Schedule your showing today!
