PROPERTY DESCRIPTION

Fresh Paint, New light fixtures and updated hardware bring a fresh feel to this wonderful family home! The huge back deck gets afternoon shade and overlooks a peaceful, very private natural setting. Being tucked back on a cul-de-sac keeps traffic down and makes for beautiful surroundings. The finished basement gives great extra space – perfect for a mancave, teen-space or large home office. The bedrooms are a nice size and have good separation from each other. The large laundry room close to the bedrooms is a nice plus. The garage has great storage. The main level lives large with a great family room, a kitchen with an eat-in area a nice dining room and front living room.
