PROPERTY DESCRIPTION

Welcome to Mountain Paradise, where luxury living meets stunning natural beauty. This updated luxury home offers an open floor plan, a show stopping kitchen and keeping room, high ceilings, and detailed moldings. The main level master suite provides privacy and relaxation. Upstairs are three premium bedrooms, two full baths, and a flex room can be a fifth bedroom or playroom. Step outside to the secluded rear grounds and enjoy the beautiful outdoor living space on the screened-in porch. The finished basement features a second living room, play space, kitchenette/bar, and a full bath. The well-established landscaping adds to the charm, and the large 3-car garage with workshop space provides ample storage. The neighborhood includes a private lake, community pool, tennis courts, and a clubhouse. Don't miss out on this extraordinary mountain retreat. Schedule your tour today! Professional Photos coming July 6.
