

143 AUTRY LANE

\$259,900

Bedrooms: 3 Full Baths: 2 Half Baths: 0 Levels: 2+ Story Square Feet: 1,634 MLS#: 1353923

PROPERTY DESCRIPTION

Charming home nestled in a peaceful neighborhood. This home offers comfort, functionality, & a sense of tranquility. With 3 bedrooms, 2 bathrooms, and a spacious interior spanning 1,634 square feet. Upon entering the home, you'll appreciate the open and airy living room, adorned with wood laminate flooring and featuring a cozy wood-burning fireplace, perfect for relaxing evenings. The adjacent dining room provides an ideal setting for intimate gatherings & connects seamlessly to the kitchen. The kitchen, located on the first level, boasts laminate counters & offers ample space for meal preparation. The main level also accommodates the master bedroom, providing convenient and easy access. Upstairs, you'll find two additional bedrooms, each offering a comfortable retreat for family members or guests. The home's two full bathrooms, one on each level, feature a tub/shower combination and are thoughtfully designed. New open deck in private backyard. Roof, HVAC less than 1 year old.
