Bedrooms: 3 Full Baths: 2 Half Baths: 0 Levels: 2+ Story Square Feet: 2,178 MLS#: 21381138

PROPERTY DESCRIPTION

This charming historic home with luxury amenities, including a master suite with sitting area & separate study, is now available. Located within a 5 min walk to Homewood shops, restaurants & parks, it offers the perfect blend of convenience & character. Arched doorways connect the living room with fireplace & dining area, both filled with natural light. Fine quality cabinets, stone countertops, stainless appliances & custom pantry complete the kitchen. Nearby is a sunny nook, perfect for a bistro table or sitting area. Two bedrooms & an updated bath complete the first floor. Upstairs private master retreat with spa bath incl tub +walkin shower & abundant closet space. A large covered porch overlooks the beautiful backyard with fence, an ample parking space with pavers & the garden shed designed to compliment the main house. It's ideal for storage or even converting to a workshop or studio. No detail has been overlooked- this is a classic. Showings start 4/4 Open house 4/7
