### PROPERTY DESCRIPTION

Running out of space? This home may be the solution! At nearly 3,000 square feet this 4 bedroom, 2/12 bath home has all the room you need. All of the bedrooms are spacious and there's even an upstairs loft/den. This home is move in ready with neutral colors and it's nice and clean! The main level has beautiful hardwood flooring throughout the living areas and kitchen. The large eat-in kitchen has granite counters, and island, stainless steel appliances, and more. The kitchen is open to the family room which has a cozy gas log fireplace. There's also a separate dining room and a flex room that could be a great office or living room. Upstairs you'll find 4 large bedrooms and 2 full baths plus a great den/loft area. The back yard is private and has a newly stained 6 foot privacy fence. The 2 car garage provides great parking or storage space and it's SO clean with the epoxy coated garage floor. This home is in walking distance of the community pool!
