### PROPERTY DESCRIPTION

If you're looking for a home in the heart of Homewood this one is for you! Conveniently located just a minute from the library and downtown. Talk about curb appeal! With trendy neutral exterior colors and great landscaping in front you will feel welcome the minute you drive up. The long driveway and great parking pad, at the back of the house, allows for ample off street parking! The backyard is fully fenced as well. Inside you will find real wood floors on the main and upstairs level. As well as two wood burning fireplaces! This updated kitchen has stone counters and all stainless steel appliances. All bedrooms are conveniently together upstairs. Downstairs in the finished basement is a full bathroom and large bonus room with a completely equipped/plumbed kitchen. There is an awesome glass garage door that you can open up downstairs and have the Ultimate indoor/outdoor entertaining space. Let's make you a HWD patriot today!
