### PROPERTY DESCRIPTION

Helena's favorite Henley at Hillsboro newly completed home. The stately Barrington features a beautifully designed traditional 4-side brick style with a floor plan functionality to meet the needs of modern families. From the moment you step inside, you feel the home's elegance with its grand staircase and soaring ceiling in the foyer, then the large dining room to the right. At the back of the home is a spacious great room which serves as the casual gathering spot of the home. A well-appointed kitchen with a keeping room that is open to the great room for connected living. Kitchen design will include a gas stove. The covered deck is right off the great room proving great for entertaining. The primary bedroom is off the great room with a bath retreat with a luxurious stand-alone tub. The second bedroom/study is on the first floor. Second floor includes 3 bedroom and 2 baths and small loft. This plan has 3 car garage.
