PROPERTY DESCRIPTION

Looking for a totally updated spacious home in the Thompson school district; then call today to see this lovely home. From the moment you arrive the exterior is warm & inviting. The open concept LR and formal DR w/bay window is made for entertaining or enjoying with family. The kitchen has a large footprint with a dual fuel stove and tons of cabinet/counter space, a breakfast bar and an eat-in area w/bay window that allows views to the serene backyard. Off the entry there's a large sitting room/music/playroom with yet another bay window. Down the hall is a half bath, an office and the master bdrm w/walk-in closet. The luxurious master bath has a walk-in shower with 2 shower heads + 4 body sprays for a spa like feel. Upstairs you'll find 3 generously sized bdrms; one is a 2nd master w/on-suite bath. An updated bath and 2 storage areas finish off the 2nd lvl. The basement has a man/woman cave & 3 car parking (2 tandem). You'll love the screened porch and fenced yard. Call today to see.
