### PROPERTY DESCRIPTION

Welcome home to this charming one-level, three-bedroom, two-bath home that is perfect for you & your family. Hardwood floors, granite counter tops, stainless steel appliances, and real wood blinds in living room are just some of the great features of this home. The home has gorgeous vaulted ceilings and arched entryways into the living room and kitchen. Stay warm in the winter months by getting cozy near the fireplace, but don't worry about chopping wood, simply turn on the gas logs. Private master suite separate from the other two bedrooms has a huge walk in closet, garden tub, separate shower, dual sink vanity, linen closet, and separate water closet. Junior bedrooms are of a nice size & share a spacious hall bath with a tub/shower combo. Large back yard affords plenty of privacy due to the wooden privacy fence. There is a covered patio already wired for TV in addition to an open patio for grilling or enjoying the sun.
