

2679 SWISS LANE

\$680,000

Bedrooms: 4 Full Baths: 3 Half Baths: 1 Levels: 2+ Story Square Feet: 3,258 MLS#: 21378869

PROPERTY DESCRIPTION

Showings start 3/8 at noon. Open Sunday 2-4 This exquisite home boasts a captivating inground pool, complemented by a spacious covered porch with fireplace—an ideal setting for relaxation & entertaining. The open floorplan seamlessly connects the family room, second living area (perfect for an office), & dining space. The main level features a luxurious master bedroom & bath, along with another bedroom with full bath, all done in soothing neutral tones. Updates throughout, including a renovated kitchen with stainless steel appliances & granite countertops, enhance the home's allure. Upstairs, two generously sized bedrooms + full bath offer additional comfort. The lower level offers a versatile play/rec room, a roomy garage, & a workshop area. Situated on a great lot, the property is conveniently located within a two-minute drive of country club, schools, shopping, restaurants, & more. This impeccable residence is sure to captivate the most discerning buyers who want it all!
