PROPERTY DESCRIPTION

Beautiful, well maintained 4 sided brick home nestled in a fantastic setting. Great your guest in the big foyer and walk them back to the open concept living area. The large den is open to the kitchen with a nice eating area and bar counter top. The kitchen features lots of countertop space in granite and don't miss the walk in pantry. This home also has a split bedroom concept as well. Both secondary bedrooms are large and located by their own bath. The master bedroom is large enough to hold King-sized furniture and you will love the large bath with a tub, separate shower and double sinks and closets. The best is outside though. Sit on your large covered back porch with and marvel at the large private fenced back yard. Carpets are only two years old, roof is less than one, and the HVAC is less than 5. storage building remains. Outstanding location close to interstate, shopping and restaurants. Don't hesitate, this unique home will be gone immediately!
