PROPERTY DESCRIPTION

WOW! This manufactured home has all the bells and whistles. This 3BR 2BA home sits on a 3+ acre lot. Concrete pad, covered deck, detached carport and a partial outdoor kitchen. This gorgeous home sits on a flat lot and has sheetrock walls, cathedral ceilings, crown molding, recessed lighting with extras, and is move in ready. Fairly new home with a great soaker tub in the Master and SS farmhouse sink in the beautifully, spacious kitchen. Huge Island with plenty of space for a family gathering. The laundry room is large and has a separate entrance. Home also has large sliding glass door which makes it look all that more spacious and with great views. This is priced to sell quickly and is within a good school district. HURRY!
