PROPERTY DESCRIPTION

You will love this immaculate approx 3500 sq ft home on a large corner lot in Riverwoods. Drive through the Porte Cachere that goes back to a three car garage and motor court. Greet your guest in the big foyer that leads to a stunning staircase area. Enter on back to the large open kitchen/family/and dining area. The kitchen features a huge island, lots of countertop space and beautiful cabinets. There is a secondary bath and bedroom on main level and a huge master bedroom as well. Pamper yourself in the spa like bath and any fashionista will have trouble filling up this enormous master closet. Hardwoods are featured all downstairs. Upstairs has a huge den, two bedroom with a jack/jill bath and another large bedroom and bath. From the upstairs den go out and sit on the front upper deck and watch the sun set. Enjoy the outdoors on the covered back porch or the beautiful outdoor sitting area with a stone fireplace snuggled up against the trees. Truly a one of a kind home!
