Bedrooms: 5    Full Baths: 4    Half Baths: 1    Levels: 1 Story    Square Feet: 4,295    MLS#: 21380223

### PROPERTY DESCRIPTION

Welcome to this French country architecture home that is both practical and elegant. This spacious home offers 5 BRs and 4 1/2 baths and is conveniently located near shopping, restaurants, schools, and the interstate. The separate formal dining room, living room, and huge great room with fireplace provide ample gathering space. The finished basement is perfect for multi-generational living, with a large BR, den w/fireplace, and 2nd kitchen and dining area. Step out to the expansive deck from the kitchen, great room, or the master suite for indoor-outdoor living. Relax in the lush landscaping surrounding the pergola and other sitting areas. Do not miss the walk-up attic storage! Abundant parking with a 2-car garage, 2-car carport, and 2 driveways, ideal for multiple vehicles or recreational vehicles. Schedule your showing today to see all this home offers!
