### PROPERTY DESCRIPTION

Welcome to the one and only 'Matthew Gregory' (Gregory Dream Homes) gorgeous renovation to this fabulous one story lovely Mountain Brook home. Nestled in the beautiful Belle Meade neighborhood, this one of a kind gem has gone through a complete make over, literally from top to bottom. The original 1960's floor plan is now a complete open concept floor plan where family and guests have tons of space to entertain not only in the kitchen but the very spacious den and living room areas. The family room has an oversized fireplace that feels like you're in a cabin retreat. The very roomy primary bedroom extends to the primary bathroom with one of the largest showers around town! Four additional bedrooms have access to 2 full baths, one of which is a jack and jill. The private backyard has plenty of room for family and guests as well as your four legged fur family. Be the first to stop by because this beauty will not last!
