PROPERTY DESCRIPTION

What a great floor plan, more space than you would expect. With a nice size living room that transitions to a dining area then a very large kitchen that flows to a quiet and private back patio and fenced in yard its hard to beat the layout. This 2-bedroom condo is centrally located in Mountain Brook and just a minute from the heart of Crestline Village and easy access to downtown. With large bedrooms and lots of closet space this well-maintained home is perfect for someone looking for low maintenance living in a great spot.
