

411 LAKE CHELSEA WAY

\$439,900

Bedrooms: 3 Full Baths: 2 Half Baths: 1 Levels: 1.5 Story Square Feet: 2,532 MLS#: 1361799

PROPERTY DESCRIPTION

You're going to love this all brick home located on a great culdesac lot with a 120 degree view of Chelsea Park's Lake Chelsea. There's over 2,500 sq ft with 3 bedrooms and 2-1/2 baths. The main living areas are spacious and open with lots of tall windows for taking in the lake view and providing natural light. The eat-in kitchen has breakfast bar, a prep island, granite counters, stainless steel appliances, and a gas cooktop. There is also a formal dining room for special occasions. Hardwood flooring runs throughout the main level including the master bedroom. The main level master suite has a tray ceiling, a view of the lake, and a beautifully remodeled master bath with a custom tile shower, jetted tub, his and her sinks, and tile floor. Upstairs there are 2 more bedrooms and a full bath plus walk-in attic space. Other features/upgrades include: fenced yard, irrigation, new roof, most windows are new, water heater 1 yr old, LVP flooring upstairs, Trane HVAC units under 5 yrs old.
