

4381 KINGS MOUNTAIN RIDGE

\$1,495,000

Bedrooms: 4 Full Baths: 3 Half Baths: 1 Levels: 2+ Story Square Feet: 4,224 MLS#: 21382341

PROPERTY DESCRIPTION

Luxuriate in Liberty Park's newest masterpiece! This stunning 4 BA, 3.5 BA home boasts high-end finishes throughout. The picturesque entryway with Everest trees, copper gutters, and lanterns adds to its undeniable charm. Inside, discover a herringbone foyer, hardwood floors, formal dining, and living areas with exposed beams and a limestone fireplace. A 15-ft sliding door leads to a covered patio with a wood-burning fireplace, perfect for indoor-outdoor living. The chef's kitchen features a marble waterfall island, stainless-steel appliances, and custom cabinets. The primary suite offers exposed beams, tray ceilings, and a lavish en-suite bath with double marble vanities and a glass shower. Upstairs, three bedrooms each boast walk-in closets & vanities. A spacious bonus area can serve as a recreation room or 5th bedroom, with a second laundry room nearby. Outside, a 3-car garage and expansive parking pad provide ample space. Don't miss this opportunity behind the gates of Liberty Park!
