

506 MORRIS BLVD

\$725,000

Bedrooms: 3 Full Baths: 2 Half Baths: 0 Levels: 1 Story Square Feet: 1,813 MLS#: 21375504

PROPERTY DESCRIPTION

Beautifully renovated bungalow located in the heart of Homewood! Refinished hardwoods, new interior and exterior paint, new kitchen with stainless appliances and so much natural light. Built in bookcases flank the charming brick fireplace in living room, charming original plaster walls, spacious and quiet primary suite with huge walk in closet, great flat front and backyards, alley access, covered front porch, big back deck, storage building, new landscaping, and a lot more. Charm, space, elegance, and location--don't miss it!
