PROPERTY DESCRIPTION

Looking for a move-in ready home? This hidden gem is exactly what you need. Conveniently located yet, tucked away in a great neighborhood! From the front wrap-a-round deck you can soak in peaceful mountain and tree top views. There are durable, wood tile floors that stretch throughout the main level. The inside boasts fresh, neutral paint colors and an all white kitchen! There is driveway parking, a two car garage, laundry room and the master, all on the main level. Master en-suite has a spacious master closet and double vanity sinks. Upstairs, there are two supporting bedrooms, full bathroom and an oversized bonus room. The bonus space can easily be used as an office, playroom, or theater room! The basement is completely finished out with a full MIL suite. It has it's own driveway, garage parking, laundry, bedroom, living and kitchen! This house has been maintained immaculately, top to bottom. Let's make it yours!
