PROPERTY DESCRIPTION

Welcome to 517 White Stone Way in the Arbors, in the highly sought-after neighborhood of Lake Crest. All the big ticket items are done! These include: new roof 2016 with a lifetime warranty, new hot water heater 2019, new kitchen granite counters, white subway tile, stainless sink and faucet with water filtration system 2020, new JennAir cooktop 2021, and new luxury vinyl tile floors 2021. The price has been adjusted 20k so you can add your own touch with new paint and upstairs carpet! The original owners have impeccably maintained this home. The backyard is now blooming with perennial flowers and is the perfect place to relax and enjoy! And don't forget what makes this neighborhood so popular: the community pool & clubhouse, a private lake stocked with fish for fishing, a walking path, community playgrounds, and well-lit streets with sidewalks to create a walkable neighborhood. This is a great opportunity in this hot neighborhood! Schedule your showing today!
