PROPERTY DESCRIPTION

Come fall in love with this charming, one level, no step townhome in Deer Valley. A wonderful covered porch and shade tree greet you as you arrive home. Inside, it is all updated with professionally painted rooms, 2" blinds, tasteful fans and light fixtures plus gorgeous new LVP flooring throughout. Spacious kitchen with more than ample cabinet/counter space, archways, pantry and a large eating area with wainscoting. Built in shelving, a desk area and 15 paned french doors make this living room so bright and appealing. They lead to a private covered patio and fenced yard. The master suite features a tray ceiling, walk-in closet, bath with a garden tub, separate shower and two sinks. Bedroom 2 has vaulted ceilings and another full bath. There is a third room perfect for an office, nursery or craft room plus a good size laundry room. The outside is low maintenance with its' brick and vinyl exterior and freshly painted doors and trim. Come enjoy Hoover Living...this is a really good one!
