Bedrooms: 5    Full Baths: 4    Half Baths: 2    Levels: 2+ Story    Square Feet: 6,582    MLS#: 21371703

### PROPERTY DESCRIPTION

Beautiful estate home nestled on a highly desired cul-de-sac street in Greystone Legacy w/ 5 bedrooms, 4 bathrooms, 2 bonus rooms, a finished basement and flat driveway w/ main level and basement garages! The 2 story foyer opens to a main level formal office, dining room, & great room with open views of the flat and wooded backyard featuring a large waterfall/fountain. The large eat in kitchen is open to the keeping room & screened in porch & connects to a large main level laundry w/ office nook, pantry space, & pet closet too. The master suite overlooks the private backyard w/ fountain & has a large glassed in double shower, jetted tub, separate vanities, w/ his & hers closets. The upstairs has 4 true bdrms, 3 bathrooms, & 2 bonus rooms! The finished daylight basement features a family room w/ fireplace, billiard room w/ kitchen, 1/2 bath (stubbed for shower, if needed), gym, and space to add a wine cellar!
