PROPERTY DESCRIPTION

Located just a short walk from the pond and around the corner from the park and recreation facility, is this beautifully cared for home that brings thoughts of a simpler, more relaxed era. A time when families gathered on the front porch to share evenings. You can have that wonderful lifestyle with all of today's conveniences and yesterday's traditions. This home offers a very open floor plan with soaring ceilings in the great room, fireplace, and separate dining room. The master suite, guest bedroom, full bath, laundry room, and 3 car garages are also convenient luxuries on the main level. The beautifully landscaped, corner lot is perfect for showing off the wrap around porches. All hardwood and tile floors on the main level. Three car main level garages. You are sure to enjoy the unspoiled beauty Moss Rock Preserve just a short walk away and across the street from restaurants and neighborhood gatherings.
