PROPERTY DESCRIPTION

This is the perfect opportunity for a buyer looking to purchase a home with some added acres but still convenient to Birmingham. Nestled on over 16 acres, this could be your personal get away or you could look into the potential of sub-dividing or rezoning the property for your future use. The home offers a nice living space and 3 comfortably sized bedrooms. There is a partially finished basement for added space. The home provides for the opportunity to customize to your personal style. Whether you a first time homebuyer or an investor, this could be your next opportunity.
