Bedrooms: 4 Full Baths: 3 Half Baths: 1 Levels: 2+ Story Square Feet: 3,564 MLS#: 21370570

PROPERTY DESCRIPTION

Perfect location and home for entertaining! This 4 BR / 3.5 Bathroom home is on the perfect cul-de-sac lot backed up to the woods. Large, open floor plan with gourmet kitchen, living area, dining room that can seat a table for 12. Tons of cabinets and counters all around, gas cooktop, stainless steel appliances, and quartz countertops. Second living area/sitting room on the main! Dream master suite with large bedroom and sconces framing the bed on your brick wall, garden tub, large walk-in shower with bench, double vanities. Spacious loft and HUGE bonus room over the garage are upstairs in addition to 3 bedrooms with walk in closets. PRIVATE outdoor covered living space AND full outdoor dining space! Electric screens enclose the covered space, flat backyard facing the woods. New paint, updated light fixtures, custom shutters installed, custom closets, updated upstairs bathroom, extra large garage that can fit your cars AND gym/woodworking equipment. Open House Sunday Nov. 19th 2p-4p!
