PROPERTY DESCRIPTION

This beautiful custom full brick garden home sits on a peaceful cul-de-sac in the fabulous Village Crest neighborhood. It has the best of both worlds with a main level garage plus spacious living room, open dining room, master suite, an inviting kitchen featuring a nice breakfast nook leading to the deck, a breakfast bar, plenty of cabinet space, pantry, built in microwave, gas cooktop and a double oven, laundry room, another roomy bedroom and 2nd full bath ALL on the main level. The large master suite is tucked away on the back of the home with windows overlooking the wooded privacy out back and a luxurious bath. An open foyer staircase leads to a great DAYLIGHT basement with a den leading to a patio, bedroom, full bath, and workshop. Downstairs is perfect for guests, caregivers or someone looking for their own space. Lots of fresh paint, hardwood flooring, crown molding, bright rooms with lots of windows and plantation shutters. Walkable street. Stunning setting. What a great home!
