

6931 ALICE ROAD

\$522,900

Bedrooms: 4 Full Baths: 3 Half Baths: 1 Levels: 1.5 Story Square Feet: 2,927 MLS#: 21370098

PROPERTY DESCRIPTION

This 1.5-story, 4-bedroom, 3.5-bath painted brick home on an acre offers modern comfort & classic charm. Its open-concept layout creates a sense of spaciousness & flexibility, w/a split bedroom plan ensuring privacy. Property updates include a new roof, freshly painted brick exterior, & new interior paint & lighting fixtures, giving the home a fresh look. The kitchen & master bathroom have new stone countertops, & the master bath has a new tile floor. Hardwood floors have been refinished throughout & new carpet added upstairs. A large deck off the great room provides a fantastic space for outdoor entertaining overlooking the fenced in backyard. The house has 4-car parking – 2 car on main level & 2 car basement parking. The basement is unfinished and ready for future expansion.
