

7740 LILES LANE

\$149,900

Bedrooms: 3 Full Baths: 2 Half Baths: 0 Levels: 1 Story Square Feet: 1,792 MLS#: 1359499

PROPERTY DESCRIPTION

Set in this charming home sits on 1-acre, offering plenty of space. The exterior features a welcoming back porch and a one-car carport, providing ample parking. The large front yard offers plenty of opportunities for outdoor activities, such as gardening, barbecues, and enjoying the natural beauty of the outdoors. Inside is spacious with an open floor plan that is perfect for entertaining. The living, dining, and den with fireplace are all bright and large enough to host memorable family holidays. The kitchen is well-appointed with appliances, a breakfast bar, and plenty of cabinet and counter space, making it the perfect place to prepare meals and entertain guests. The three bedrooms are generously sized, with ample closet space. The primary bedroom features an en-suite and two spacious closets. This home also features 2 full bathrooms with the master having double sinks, a shower and separate tub. Other amenities include a laundry room plus a huge 24'x34' workshop with auto crane.
