### PROPERTY DESCRIPTION

Welcome Home to this private beautiful renovated home. As you enter the front door into the large open floor plan. Living room with stone surround fireplace that opens into the breathtaking large kitchen that includes new wood cabinets, gorgeous countertops, surround sound, incredible stainless appliances including refrigerator, and large eat-in-area. Also, enjoy the covered parking as you can enter into the kitchen from side door and bring your groceries in so easy. Large main level laundry room located off of kitchen with room for storage too. Three nice size bedrooms and two new gorgeous bathrooms with new vanities, plumbing fixtures, new tile, bath and flooring. New flooring throughout. That is not all.... as you relax on your covered front porch you can look across the large private front yard and enjoy entertaining family and friends. Large separate building for RV parking and additional storage building next to the covered carport parking. This is a must see!!
