PROPERTY DESCRIPTION

Pool Party!! This home gives you all of the convenience of living in Homewood with more than the typical postage stamp lot PLUS a salt water pool! Set on nearly 2/3 acre this modern home was constructed on the original foundation in 2009. The beautiful cedar shake exterior gives it that cozy cottage look. Inside you'll love all of the natural light flowing across the open living spaces. The main level has plenty of entertaining space. The kitchen has a large island, stainless steel appliances, a gas cooktop, and recently installed Wolf double ovens. The dining room features a gas fireplace that was saved from the original house. There's hardwood flooring throughout the entire home except for tile in the bathrooms. The main level also has 2 bedrooms including the beautiful master suite, an office, laundry room, and 2-1/2 baths. Upstairs there's 2 more spacious bedrooms, a full bath and a large den area. There's a one car garage in the basement. Zoned for Edgewood Elementary School.
